

Stanley's Dream

Stanley Edwards had a dream: his dream was to attend college. Unlike many 12-year olds, achieving his dream was complicated by the battle he was fighting against brain cancer.

A gifted student and promising athlete, Stanley was diagnosed with a brain tumor at age 12. Despite unthinkable obstacles, Stanley persevered toward his dream. Unexpectedly, in 2001 the Edwards family learned that Stanley's tumor had returned. Stanley passed away in January of 2002 at the age of 14. In a tribute to this courageous young man, his family created Stanley's DREAM to continue his legacy.

In honor of Stanley's life, we are hosting the 3rd Annual Stanley's Dream Golf Classic on Monday, August 2, 2010 at Downingtown Country Club in Downingtown, PA. Proceeds from the golf outing will benefit the Stanley's Dream endowment fund, which awards scholarships and supports childhood brain cancer research at the Children's Hospital of Philadelphia.

Stanley's Dream Mission

The mission of Stanley's Dream is to:

- Provide grants to hospitals for childhood brain cancer research that focuses on new strategies for treating brain tumors, ranging from investigating new drugs to exploring gene therapy, with hope of discovering a cure or extending the quality of life for a child that has been diagnosed.
- Provide college scholarships to graduating seniors, making Stanley's unfulfilled dream to attend college a reality for others.

Stanley's Dream 3rd Annual Golf Classic
